1438. SHRI SAMAR MUKHERJEE: Will the PRIME MINISTER be pleased to state:

(a) whether it is a fact that the Adult Education Officers/Youth Co-ordinators/APO who did not get the money directly from Government are not responsible for delay in implementation of National Literacy Mission project but the Nehru Yuva Kendra Sangathan itself who received the money/project from the Ministry and had have full control of the budget;

(b) whether it is also a fact that the Director General of Nehru Yuva Kendra Sangathan is the main person responsible for the delay caused and breaking the cycle of success of the programme through Nehru Yuva Kendra in India and making Instructor and other staff out of job;

(c) if so, the details thereof; and

(d) whether Government propose to get the National Literacy Mission Project implemented through Nehru Yuva Kendra Sangathan and those persons who were employed earlier would be continued to be employed; stating since how long the scheme would be continued through Nehru Yuva Kendra Sangathan?

THE MINISTER OF STATE IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT (SHRI CHIMANBHAI MEHTA): (a) to (d) The Nehru Yuva Kendra Sangathan is one of the agencies entrusted with the implementation of the Adult Education Programme in the country. It was sanctioned 200 projects comprising 16,000 Adult Education Centres in 1988. The projects were implemented by the Sangathan in phases between October, 1988 and July 1989. All these projects completed their cycle between October, 1989 and February, 1990. The Sangathan was entrusted 300 Adult Education Centres Project each in Medak and East Godavari districts of Andhra Pradesh in 1989 which is to complete its cycle by August, 1990. All the projects have been implemented in accordance with the National Literacy Mission norms. There has been some delay in the finalisation of accounts by the Sangathan as this involved collection and compilation of the data from the grass-root level throughout the country. The Sangathan has since submitted the unaudited statement of account.

The proposal for new projects through Nehru Yuva Kendra Sangathan is under the consideration of this Ministry. In this Connection, the Sangathan has been advised to submit the area-specific and time-specific proposals in conformity with the approved strategy of complete eradication of illiteracy from the project area.

Voluntarism and mass mobilisation are two cordinal principles of the National Literacy Mission. Provision of employment to functionaries is not its objective; it is only incidental. Employment of persons in the programme who were earlier associated with it would depend upon their commitment, past performance, the location of the adult education centres and the need for continuance of such Adult Education Centres in a particular area.
